

常識科 自學中心活動

為了鼓勵同學養成自主學習的好習慣，常識科於 2018 年 10 月至 11 月舉行了自學中心活動，一至六年級學生可於小息時到自學中心內，進行本科安排的自學活動，以下是同學們進行活動時的花絮：

A group of students in white school uniforms are gathered around a wooden table, focused on their work. One student is standing and pointing at something on the table, while others are seated and looking on. The background shows a blue bulletin board with various posters and a green board with the word 'ENGLISH'.
<p>小義工負責協助低年級同學 進行活動。</p>
A large group of students in white school uniforms are sitting at a long table, engaged in a STEM activity. They are using colorful blocks to build structures. The room has a blue bulletin board and a window in the background.
<p>同學們在拼砌不同種類的 STEM 積木。</p>
A group of students in white school uniforms are sitting at a table, intently working on their activity. They are using various materials and tools. The background shows a green bulletin board with various posters and a whiteboard.
