

# SCOLAR English Alliance 2022/23: English Mania

Our school joined the SCOLAR English Alliance activity: English Mania this year in order to arouse students' reading interests and enhance their abilities in learning English. Four teachers from Teacup Productions, which is a not-for-profit performing arts company, came to our school on 15th May, 2023, to host a variety of activities with creative materials for 100 Primary One to Three students in two sessions. Students had an opportunity to learn about the features of a comic book, make story props and play interactive story-based games. Look how much they enjoyed the activities!
