

The Buddy Programme

The Buddy programme consists of four components, the Commencement Ceremony, Reading Sessions, P.1's 100th day Celebration and the Buddy Reunion. Our P.5 big brothers and sisters are paired up with P.1 youngsters and they first met their buddies at the Commencement Ceremony. Then they met regularly during Reading Sessions. It is a great opportunity for P.5 students to build up a sense of responsibility and self-confidence.

The buddies exchange the gifts with each other. They are delighted to get them.

The buddies gather and learn different things in the hall and the classrooms.
