

# The Light Dragon

About 60 P.5-6 students went to Hong Kong City Hall Theater to watch a multimedia drama production on 14<sup>th</sup> February, 2019. The Light Dragon brings together the past and the present, fantasy and reality, theatre and motion pictures. Through a chance encounter in the Kowloon Walled City Memorial Park, a local teenaged school student and a middle-aged foreign visitor share their connection to the neighbourhood and embark on an adventure that bends time and space, enabling them to explore the history and mythology around the Kowloon Walled City.
