## 1930's Radio Play-

## Twelfth Night

About 150 P.4-6 students participated in “1930's Radio Play---Twelfth Night” under the ‘School Touring Drama’ project organized by Shakespeare for All (S4A). Our students first participated in a student workshop and then watched a ‘radio-play’ performance. Some students even took on roles in the performance. They also performed scenes from the play in small groups. What an amazing approach for children to ascertain new vocabulary and learn more about Shakespeare’s famous plays!

Some students took on roles in the performance. They also performed scenes from the play in small.

It is an amazing way for students to learn more about Shakespeare’s famous plays.
