

CEO Programme 2019

Our CEOs

The aim of the CEO programme is to provide more opportunities for students with higher English proficiency to get involved in different types of activities in order to improve their leadership and communication skills, and learn to take a more active role in helping others. This year, 100 CEOs from P.3 - P.6 took part in the service-learning activities such as Buddy Programme, English Challenge and LKK radio broadcast. They all enjoyed and developed their abilities through participating in these activities.
