

80 students of our school are waiting to be seated patiently at Sai Wan Ho Civic Centre.

## Grimm's Adventure

### Pre-show workshop and drama show

Classics for Juniors is a tailor-made theatre and language learning programme for primary school children operating since 2014. The main purpose of Classics for Juniors is to introduce classic stories in a theatrical form so as to encourage students to read the original stories. A well-known story named Grimm's Little Red Riding Hood was chosen this year. 80 students of our school had a great opportunity to join the pre-show workshop to learn about the story. They also watched the drama show in Sai Wan Ho Civic Centre on 10 October 2019. Students enjoyed the show with a fast, exciting, comic style of songs, music and dance. Through the drama show, students learnt about leadership, bravery and teamwork.

Before the show, there is a pre-show workshop about the story.

Students also learn about theatre etiquette, such as no talking and no food.

In the pre-show workshop, students learn about the story and the characters through interactive activities.
