

'Little Maze Runner' Competition

Eight P.5 and P.6 students formed two teams and joined an exciting competition named "Little Maze Runner" on 18th January, 2020. As a member of the English Alliance, we got the chance to take part in this big event which was supported by SCOLAR (語常會) and organized by Rough C. Limited, a charitable organization dedicated to promoting culture, art and healthy life.

The "Language-Lovers Youth Orienteering Challenges" aims at nurturing participants' interest in English language learning through practising English language skills in a series of games and tasks. The participants also have an opportunity to demonstrate multiple intelligences such as critical thinking, problem-solving and communication skills.

It is an inter-school competition in which students in different school teams played around in various zones of Kowloon Park to complete different English language tasks and score points for reaching higher levels in the game. Our students, Carmen Chong (6E), Midas Lam (6B), Sam Zhang (6A) and Janice Chung (6B) formed one team, while Elise Ho (5B), Ethan Chan (5C), Belle Lim (5D) and Sophie (5E) formed another team. They all enjoyed the games and tried very hard to complete the tasks.

'Wow! Kowloon Park is so big!'

Team B (P.5 students)

Team A (P.6 students)

All participants are awarded a certificate after the completion of the tasks.

'Where is the next checkpoint?'

Students are working together to figure out how to complete the tasks in the shortest time.

This day is full of fun and challenges!
