

English WEEKS

English Weeks have been one of the highlights of the school year in recent years, as students can play games in game booths in the playground or battle with other classes in the Tongue Twister Competition in the school hall. However, due to social distancing measures, English Week activities were held either online or in class. In English Week 1 in November and English Week 2 in June, students learnt about the Fruit of Spirit - kindness and patience by watching videos, doing some fun mini tasks, listening to songs and bible stories in class. They could also extend their learning at home by scanning the QR codes inside a lovely booklet.

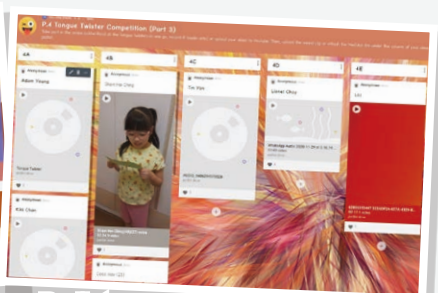

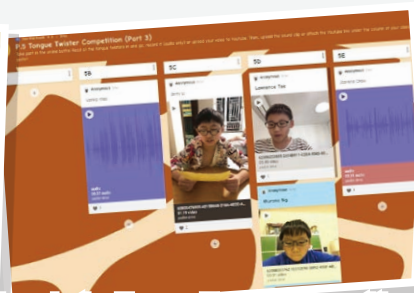

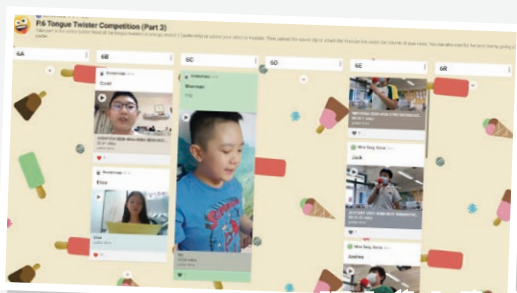

Only P.4 to P.6 students could take part in the Tongue Twister Competition in English Week 1, due to the suspension of face-to-face lessons in late November, 2020. However, students still prepared well for it. They competed with their classmates in class and other classes online by uploading their audio recordings of saying the tongue twisters fast and accurately onto Padlet.

In English Week 2, students made different STEAM crafts after watching the instructional videos. A lot of PATIENCE is required to finish the crafts from small parts. Are you patient enough to finish yours?

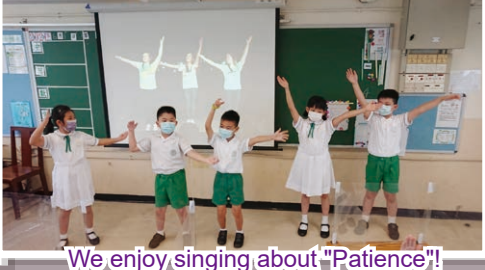

We made different STEAM crafts in English Week 2.

We battled with others in the Tongue Twister Competition on Padlet.

Look at our amazing Ferris Wheels and Four Legs Robots.

We enjoy singing about "Patience"!
