

# HONG KONG SCHOOL DRAMA FESTIVAL 2020/21 (ZOOM PERFORMANCE)

This year, unlike the traditional stage performance, the show was held on Zoom. It is the very first time for the English Drama Team to give a real-time drama performance on Zoom. Students have gained a lot of skills and knowledge in this innovative process, such as the use of camera, design of the audio-visual effects on Zoom, variation of voice, focus on facial expressions, etc. The effort of the team has paid off. They have received five awards in different aspects. Good show and well done, English Drama Team!
