

From the end of June to mid of July every year, the Lutheran Church Hong Kong Synod will hold a big event named 'Vacation Bible School (VBS)'. The church will invite Concordia missionaries from the USA to join and hold different activities during VBS. Year 2021 is a special year in times of pandemic, all activities will be held online and in a class-based mode in all Primary 3 classes of our school.

The theme of 2021 VBS is "Treasured". At Treasure, kids discover that their value doesn't come from their own accomplishments or the number of "likes" they get; it comes from God. Kids learn one important Bible Point each day, and it's reinforced through every station to help children know that they are truly treasured by God. Kids also enjoy singing songs and making STEAM crafts during VBS. It is truly a wonderful experience for our students.

A SPECIAL 'ENGLISH FUN DAY'

Which story did you listen to? Did you enjoy it? What did you learn from it?
